ANNOUNCEMENTS & UPDATES:

April H. Hodges, Assistant County Administrator/County Clerk, stated that due to Employee Appreciation Day being cancelled due to COVID 19, arrangements are being made to do things differently in order to honor our employees. Ms. Hodges advised that an announcement will be sent out to everyone with details at a later date.

Chairman Mosley announced that the COVID-19 Task Force has been getting good news from the Board of Health and the local hospital. Mr. Moseley advised everyone to stay cautious and follow all guidelines regarding COVID-19. Mr. Moseley also thanked everyone involved with the COVID-19 taskforce. Chairman Moseley stated that he recommends opening the Peach County Courthouse to full operation, and the entire County will end the local State of Emergency, Hazard Pay, and the “swing-shift” schedule on Tuesday, May 26, 2020. There will be precautions in place to reduce the risk of exposure and we will strictly follow the CDC guidelines.

OLD BUSINESS:

Jeff Doles, Fire Chief/EMA Director, advised that \$28,128.00 is remaining in the Travel Reimbursement Fund. Mr. Doles is requesting to transfer the funds into the Motor Vehicle Maintenance supply account.

Mr. Doles is also requesting a budget amendment in the amount of \$30,000.00, to the Motor Vehicle Maintenance account. The additional funds will get him through the remaining of the FY2020 budget year. He added that the water pump went out on Engine No.5, which cost \$1,200.00 to replace. Mr. Doles added that even though they try to do majority of the maintenance in-house, some repairs require a maintenance shop.

<u>Budget Amendment - FY20 - Fire</u>		
100.1599.57.9000	From: Contingency	\$ 30,000
100.3500.52.3501	From: Fire Call Travel Reimb	\$ 28,132
		<u>\$ 58,132</u>
100.3500.52.1320	To: MV Maintenance Repairs	\$ 30,000
100.3500.53.1120	To: MV Maintenance Supplies	\$ 28,132
		<u>\$ 58,132</u>

After further discussion, Commissioner Lewis moved to approve both budget amendment requests to appropriate funding for maintenance repairs as requested by Jeff Doles, Fire Chief/EMA Director. Commissioner Yoder seconded the motion. Motion passed 4-1, with Commissioner Bryant opposing.

April H. Hodges, Assistant County Administrator/County Clerk, advised that Mayor Chidester has concerns with the State Law regarding abandoned mobile homes. The article that is currently in place, provides local governments the authority to appoint an agent to determine the conditions of the mobile homes in order for landowners to remove or restore abandoned mobile homes left on their property. Ms. Hodges added that Mayor Chidester has concerns that an agent has not been officially appointed by the County, although Rickey Blalock, Zoning Administrator, and Roscoe Miller, Building Inspector, are qualified to inspect and determine the conditions of abandoned mobile homes.

Attorney Jeff Liipfert stated that years ago, the County Commissioners appointed the building inspector and zoning officer to the responsibility regarding abandoned mobile homes.

Chairman Moseley asked Mr. Liipfert would it be proper to vote on appointing an agent to handle the responsibilities of abandoned mobile homes.

Mr. Liipfert stated that it would be acceptable to officially appoint an agent to inspect and determine the conditions of abandoned mobile homes.

Ms. Hodges asked if the appointment is stated as approved in the Minutes, would it be valid. Mr. Liipfert responded that yes, the approved appointment would be valid if stated in the minutes.

Vice Chairman Hill moved to appoint the Zoning Administrator and Building Inspector as the designated representative for Peach County to inspect and determine the conditions of abandoned mobile homes. Commissioner Yoder seconded the motion. Motion carried unanimously.

April H. Hodges, Assistant County Administrator/County Clerk, stated that she was asked to reach out to other counties to see if they provide indigent care or funding to nonprofit organizations.

Ms. Hodges stated that she received eleven (11) responses; nine (9) counties replied that they do not provide funding to nonprofit organizations. Telfair County replied that they do not provide funding to nonprofits, but they enter into an annual contract with the Chamber of Commerce for hotel/motel tax. White County stated that they provide funding to nonprofit organizations and civic organizations, and they have established a code section regarding providing contributions to the organizations. Ms. Hodges added that Michael O'Quinn, County Consulting Services Associate for Association of County Commissioners of Georgia (ACCG), stated in an email that in the section of the code that White County has approved, nonprofit organizations are required to file reports of activities and expenditures in order to receive funding. In the email Mr. O'Quinn added that under a service contract, the nonprofit organizations receiving the funds are required to demonstrate objective or measurable results in return for the funds. This will help distinguish the funds from gratuities.

Mr. Liipfert stated that giving funds to non-profit organizations would not be the appropriate thing to do; it would cause many problems.

Commissioner Bryant stated that we need to have a way to help the taxpayers of Peach County who are indigent.

Chairman Moseley responded that the County is funding the local health department to help the entire community with medical services.

Vice Chairman Hill stated that she will meet with Commissioner Bryant for all concerns regarding health-related issues in the County, and present all concerns to the Board of Health.

Commissioner Lewis stated that identifying resources and getting the citizens connected, is a great start to citizens getting the services they need.

Chairman Moseley stated that the next item on the agenda for discussion is concerning a siren placed directly in front of a citizen's home, who is requesting that the siren be removed because an autistic child resides in the home.

Jeff Doles, Fire Chief/EMA Director, advised that he looked into different solutions regarding the siren. But he has spoken with Mr. Mike Massengale, Electrical Superintendent with Fort Valley Utility Commission regarding assistance with getting the siren moved. Mr. Massengale notified Chief Doles that he received approval from the General Manager of Fort Valley Utility Commission to assist with moving the siren at no cost. Although there may be costs associated with McRaney Warning, Inc., deactivating the siren, removing it, and reactivate the siren in the new location. His plan is to move the siren to Highway 49 or Moseley Road, somewhere in the vicinity of the new Peach County High School.

Mr. Doles added that he has concerns regarding relocating the siren due to other citizens having trouble with the sirens in the past. If one siren is moved, there may be additional requests to move other sirens.

Commissioner Yoder asked if the sirens could be deactivated for right now, and relocate after more research is done on relocating it. Mr. Doles stated the siren has only been used for silent testing. If the siren is deactivated, there would be no use for it.

After further discussion, Commissioner Lewis moved to relocate the siren. Commissioner Yoder seconded the motion. Motion carried unanimously.

Paul Schwindler, County Engineer, advised that he received a quote from DEH Recovery to clean ditches and culvert pipes on Powersville Road. The cost to clean the ditches is \$250.00 per linear foot, and \$400.00 per culvert pipe. Mr. Schwindler added that in order to do the minimum amount work needed, it would be about 2,400 linear feet of ditches, and about six (6) culvert pipes. The estimated total to complete this project is \$8,400.00.

Mr. Schwindler recommended entering into a service contract for the unit price of \$400.00 per culvert pipe, and \$250.00 per linear feet of ditch.

Commissioner Bryant asked were there any additional quotes received to complete the clean up on Powersville Road. Mr. Schwindler responded that since this was on an emergency basis, he has had trouble getting quotes from contractors who can complete this project immediately.

After further discussion, Commissioner Lewis moved to allow DEH Recovery to clean the ditches and culvert pipes on Powersville Road. Commissioner Yoder seconded the motion. Motion passed 4-1, with Commissioner Bryant opposing.

Paul Schwindler, County Engineer, advised that a Change Order is needed for Pyles Plumbing to complete additional repairs to Country Club Road in the amount of \$19,380.00. If Change Order No. 1 is approved, the total cost for this project will be \$64,610.00. Mr. Schwindler added that he does not expect any additional change orders on this project. Commissioner Lewis moved to approve Change Order No. 1 for the amount of \$ 19,380.00 to complete the repair of Country Club Road. Commissioner Bryant seconded the motion. Motion carried unanimously.

Paul Schwindler, County Engineer, advised that a Change Order in the amount of \$28,500.00 is also needed to complete repairs on Smith Road. Headwalls were not included in the original contract because he was looking for a separate concrete contractor, but could not get anyone to respond. If the change order is approved, the total cost for this project will be \$86,000.00. Vice Chairman Hill moved to approve the Change Order for Smith Road for the amount of \$28,500.00. Commissioner Yoder seconded the motion. Motion carried unanimously.

Mr. Schwindler advised that compaction testing was done on Smith Road. It is an hourly contract that needs to be signed with Geotechnical Engineers.

Vice Chairman Hill moved to authorize the Chairman to sign the contract with the Geotechnical Engineers for compaction testing on Smith Road. Commissioner Lewis seconded the motion. Motion carried unanimously.

Paul Schwindler, County Engineer, presented Change Order No. 1 for Taylors Mill Road for the amount of \$68,300.00 with North Georgia Concrete. The proposal is based on an assumed budget for asphalt, because the contractor is unable to get asphalt companies to give a price for the repairs. Mr. Schwindler added that Triple Point Engineering has done additional work in conjunction with this project, totaling \$2,000.00 for their services. Commissioner Yoder moved to approve Change Order No. 1 for Taylors Mill Road for the amount of \$68,300.00, with the additional services from Triple Point Engineering for the amount of \$2,000.00. Commissioner Lewis seconded the motion. Motion carried unanimously.

NEW BUSINESS:

Michelle Williams, Human Resources Manager, presented advised that the health insurance is up for renewal, and that there was no cost increase for this plan year. there are no changes to any of the benefits.

Mr. John Leggett, Sales Executive with MSI Benefits, advised that the overall decrease in the premium is 3.3%. Mr. Leggett and Ms. Williams recommended renewing the health insurance with Anthem. Commissioner Bryant moved to renew the health insurance coverage with Anthem as recommended by Mr. Leggett and Ms. Williams. Commissioner Yoder seconded the motion. Motion carried unanimously.

Adrienne Ray, Elections Supervisor, presented a budget amendment to move \$9,000.00 out of the computer maintenance account into the small equipment account. Ms. Ray advised that she is trying to purchase a storage unit to store equipment. Ms. Ray added that she is requesting to apply for two (2) grants; a Secure to Vote Grant, which covers 50% of the material needed for the election, and the HAVA CARES, which means the Secretary of State supplies all supplies, such as, hand sanitizer, masks, and sneeze guards, but it would be complicated to service all counties. If the County funds the necessary supplies, the Secretary of State will reimburse 90% of the costs.

Budget Amendment - FY20 - Elections

5.1400.52.1310	From: Computer Maintenance	\$ 9,000
5.1400.53.1701	To: Voter Reg & Elect	\$ 5,600
5.1400.53.1600	To: Small Equipment	\$ 3,400
		<u>\$ 9,000</u>

Commissioner Bryant moved to approve the budget amendment in the amount of \$9,000.00, as presented by Adrienne Ray, and to allow Ms. Ray to apply for both grants. Vice Chairman Hill seconded the motion. Motion carried unanimously.

Commissioner Bryant stated that Georgia is one of the four (4) states that does not have Hate Crime Laws in place. Commissioner Bryant asked the Board to come together and support House Bill 426, by sending a letter of support to Senator John Kennedy.

Vice Chairman Hill stated that she agrees the Board does need to support House Bill 426, and it would mean more coming from the entire Board than individual letter from the Commissioners.

Commissioner Bryant moved to draft a letter of support, as a Board, to Senator John Kennedy in support of House Bill 426. Vice Chairman Hill seconded the motion. Motion carried unanimously.

Chairman Moseley advised that the County received a refund for Worker's Compensation in the amount of \$32,864.00. Commissioner Bryant moved to allow half of the funds from the Worker's Compensation refund go towards the General Fund, and the other half go to the employees who did not file Worker's Compensation claims. Motion failed for a seconded.

Attorney Liipfert advised that giving employees money from the Worker's Compensation refund would be considered a gratuity, and gratuities are not allowed.

Commissioner Lewis moved to go into an Executive Session at 8:05 p.m. to discuss one (1) Property Acquisition. Commissioner seconded the motion. Motion carried unanimously.

--EXECUTIVE SESSION--

Commissioner Lewis moved to terminate Executive Session at 8:36 p.m. Commissioner Yoder seconded the motion, and the motion carried unanimously.

There being no further business to come before the Board at this Regular Meeting on this date, Vice Chairman Hill moved to adjourn at 8:36 p.m. Commissioner Yoder seconded the motion, and the motion carried unanimously.

Meeting adjourned.

CALLED MEETING  
Peach County Board of Commissioners  
10:00 a.m., Friday, May 22, 2020

The Peach County Board of Commissioners held a Called Meeting at 10:00 a.m., Friday, May 22, 2020, via Go-to-Meetings platform, with all Commissioners in attendance. Chairman Moseley called the meeting to order.

Chairman Moseley stated that the purpose of the Called Meeting was to approve a resolution to end the Executive Order for the State of Emergency. The resolution presented would end hazard pay that was approved for public safety employees and custodial employees. The resolution also states that all employees will return back to work full-time and go back to their regular schedule on Tuesday, May 26, 2020. The City of Fort Valley has stated that their employees will return to work full schedule on May 26<sup>th</sup> as well. The City of Byron will go back to full schedule on June 1, 2020.

Vice Chairman Hill stated that she is concerned about the County ending the Executive Order that is currently in place so soon, especially with the COVID-19 cases in Peach County increasing and an additional reported death. She understands that the County needs to get back to regular business but there are still concerns.

Chairman Moseley responded that the numbers being reported are actually cumulative and showing a decrease but he does understand Vice Chairman Hill's concerns. The County will continue social distancing practices and sanitizing frequently.

Commissioner Yoder stated that he is also concerned but he is interested in everyone getting their immune systems strong by getting out.

Commissioner Lewis stated that he does understand Ms. Hill's concerns, but as some point the County has to get back to serving citizens therefore, he would like to make a motion approve the Resolution as presented.

Commissioner Bryant stated that she feels that the number of reported cases are not accurate. The County should take in consideration that with the data being incorrect, employees returning back to work can be expose to the virus. She asked the Board if they are willing to sacrifice employees knowing that death is one of the factors of COVID-19.

Chairman Moseley responded that the Peach County COVID-19 Task Force is going by local numbers and data provided by the Peach County Health Department.

Commissioner Bryant asked if the data provided was from doctors or scientist.

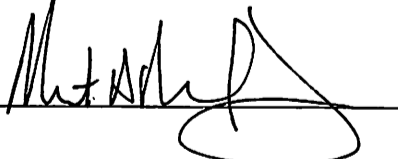

Chairman Moseley responded that the data is from local hospital and Department of Health officials.

Commissioner Yoder seconded to approve the Resolution as presented. The motion passed three to two with Vice Chairman Hill and Commissioner Hill opposing.

Chairman Moseley thanked all employees of Peach County for their hard work during these difficult times also the City of Fort Valley and City of Byron for their partnership.

Commissioner Lewis moved to adjourn at 10:15 a.m. Commissioner Bryant seconded the motion, and the motion carried unanimously.
