Bring your peach culinary creation to Peaches at the Park on June 4th and you could win a special prize! In celebration of the Peach Festival, the Byron Farmers and Artisans Market is hosting “Peaches in the Park” where we will have peaches, peach creations and a peach recipe contest. In addition there will be a meet and greet of our local elected officials...and they will be judging the peach recipe creation contest. To submit an entry call Regina at 956-5555 and bring your creation to Jailhouse Park by 9:45am. The contest is at 10am and prizes will be awarded to the tastiest and most creative creations. A “meet and greet” will take place at the gazebo, so c’mon out and meet your elected officials and have a PEACH of a time at the Market! For more information call the Byron Better Hometown at 956-5555.
